givejedahand #CAMH Foundation #pimping for their #mouthpiece David Goldbloom and vice-versa. Their motto is #EndStigma but they are the most #stigmatizing gang of #pernicious #idiots in #Canada - maybe even #QueenWest #Parkdale #Toronto. That's real #stupid! #sunriseselfie

givejedahand PS #CAMH David Goldbloom will tell you that #psychiatry is a #science and that contrary to the "#myth" #shrinks are not #overreliant on #drugs (for their #patients, I think he means). Then he'll solicit your #sympathy because every time one of his patients commits #suicide he feels just terrible. Then he'll ask for a #donation. David Goldbloom - #ConfidenceMan!
